

MEDIA RELEASE

Shoppers Mall and local radio station join “hands” to raise funds for Haiti.

Brandon, MB. January 14th, 2010 – Shoppers Mall along with 94.7 STAR FM have joined forces to help raise funds for the earthquake stricken people of Haiti. As news continues to pour in about the devastation to the already poverty stricken Haitians people in Westman are wondering what they can do to help. Morning show host Tyler Glen came up with the idea of “Helping Hands for Haiti”.

“As I sat at home watching the coverage coming out of Port Au Prince Haiti I knew that something had to be done, and that people of Westman were looking for a way to help out. So I picked up the phone and called the Shoppers Mall to see what we could do”...Tyler Glen

You are invited to visit Shoppers Mall guest services and purchase a helping hand to be placed on the wall for Haiti. 100% of the proceeds will go to the Red Cross relief effort in Haiti and the Canadian government is matching donations dollar for dollar. All donations over \$10 will be eligible for a tax receipt.
